Income property tax is on track and ahead of last year. Higher income from the result of Strike Team and Strike Team vehicle reimbursements. There has been a change in the grant and foundation budget, did not budget and spent more due to not knowing how much we were going to get. Currently over budget for Critical Weather but Sunrise Powerlink is set aside for that and it will be reimbursed. Strike Team is over budget, State will cover, just waiting on reimbursements. Sprinkler system was over budget due to water leak, and expecting another bill due to additional work needed. Currently over budget on Election from the county requesting a higher down payment for COVID-19, possible to see some of that money come back.
